Director's Report:

None.

Old Business:

Director Cowley reported that the tuff shed has been placed in the pump house yard and painted.

During Director Cowley's pursuit of a new generator, a permit was applied for. He was told that we need to have engineered plans drawn and submitted because we are a public water system.

Director Cowley got a bid from Blue Star on a generator which was lower than previous quotes. He also got bids from Weeks and Jerry & Don's for soft starts. The soft starts would allow us to purchase a smaller generator for a lesser cost.
